The Purpose of the Strategic Planning & Budget Handbook

The Strategic Planning & Budget Handbook is a guide to help coordinate institution-wide strategic planning and budgeting. The strategic plans for each institution serve to identify a framework of priorities that are collectively derived to guide the work of the institutions and to inform choices for resource allocation.

Central Ohio Technical College (COTC) and The Ohio State University at Newark are committed to strategic and quality planning and managing the future of education in our community. Our strategic planning processes provide a basis for the effective and efficient use of our resources to serve our constituents. It enables us to make critical decisions regarding the implementation of activities and resource allocations in a challenging and dynamic environment. It also establishes a participative process that ensures decisions are consistent with the goals, objectives, and strategies to meet the missions and visions of our two institutions.

The purpose of this handbook is to document the processes, guidelines, and responsibilities for strategic and quality planning. Specifically, it delineates the following:

- Using quality improvement processes;
- Integrating strategic planning and the academic plan, budget process, institutional effectiveness, human resources, grants, and facilities and technology planning;
- Developing linkages from strategic planning to operational (implementation) planning;
- Evaluating and improving performance of the planning process; and
- Delineating and linking the roles and responsibilities of planning among the cabinet/leadership team, committees, and individual employees.

Effective planning is occurring at all levels of the institutions and this handbook provides a framework to align unit/department activities with the visions, missions, values, and goals of COTC and Ohio State Newark.

This handbook serves as a guide and is meant to be reviewed and improved as needed.

COTC and Ohio State Newark have strategic plans that shape each institution's budget as well as the budget that the two institutions share. COTC's strategic framework plan supports the institution's vision to help students build successful futures by engaging with our industries, communities and employers to uncover opportunities that will address workforce needs, positively influence communities and impact lives for decades to come. Ohio State Newark's strategic plan supports both Ohio State's overall mission and Ohio State Newark's vision to become a national model for regional campuses of public universities. The strategic plans for both institutions are paramount for achieving the potential and the promise of each institution. The implementation of the strategic plans ensures that both institutions continue to provide quality education, serve our communities, and contribute to the economic development of our area.

Each institution has a committee that assists with strategic planning, and the committees are made up of representatives from many college or campus departments. In doing strategic planning, the committees seek input from the entire college/campus community, including community representatives, and, in the case of Ohio State Newark, Ohio State leaders such as deans and vice provosts.

Central Ohio Technical College's strategic framework plan:

Our Institutions—

Central Ohio Technical College

Vision - COTC will help our students build successful futures by engaging with our industries, communities and employers to uncover opportunities that will address workforce needs, positively influence communities and impact lives for decades to come.

Mission - To meet the technical education and training needs of students and employers in the area.

Priorities -

1. **Student success.** Help students achieve academic and career goals by improving learning and student support.
2. **Institutional growth.** Increase institutional growth and stability through efficient program, enrollment and fiscal management.
3. **Collaborative culture.** Promote a culture of collaboration and build a college community that values diversity and mutual respect.
4. **Operational effectiveness.** Aim for the most efficient use of resources and optimal alignment of processes to improve institutional effectiveness, deliver consistently high quality and provide exceptional services.

The Ohio State University at Newark

Vision - To become a national model for regional campuses of public universities.

Mission - To provide affordable, open access to The Ohio State University for all Ohioans.

Strategic Focus – Improving Student Success

1. **Enhance the Student Experience** - The Ohio State University at Newark offers students an opportunity to experience Ohio State on a small campus with an incredibly diverse student population. We plan to leverage our diversity and the personalized nature of our learning environment to enhance student success and further distinguish the student experience. Our goal is to develop an experience that is extremely attractive to all Ohioans because of its outstanding reputation for excellent faculty and staff who are dedicated to preparing students to be engaged citizens in a global society. Through internships and service-learning experiences, students support the community that helped develop the campus and become engaged citizens.
2. **Expand Academic Programming** - Ohio State Newark offers rigorous academic programming devoted to excellence and designed to meet Ohio's educational needs. We plan to increase the flexibility of our course schedule and add courses that make it easier for students to pursue degrees in STEM fields. We also plan to broaden the range of enriched learning opportunities.
3. **Improve Access and Affordability** - In accordance with Ohio State's land-grant mission, and with the State's expectations for Ohio's regional campuses, we will continue our commitment to providing an Ohio State experience at an affordable cost. Our cost-shared relationship with our co-located institution has been a model for the state and a foundation for efforts to keep costs low while maintaining quality programming. We will pursue efficiency initiatives across all departments on our campus, work to keep tuition low, and generate new opportunities for scholarships and tuition grants.
4. **Strengthen Our Commitment to Social Justice** - The campus can do more within itself, within the region and within the university to increase diversity, equity, and inclusion, and will intensify its efforts to do so. Some of our initiatives related to diversity, equity and inclusion are embedded in the three strategic priorities that were part of the original On Seas of Care strategic plan. We present others, which are more focused on

changing the campus's culture, here, under a new strategic priority. We recognize that culture change will require sustained, forward-thinking efforts that pursue continual improvement and prevent regression. Drawing from the work of intersectionality scholars, we recognize that people embody diverse and overlapping identities that are shaped by multiple forms of oppression. We also recognize that our approach to changing our culture must be flexible, reflective and coalitional in light of the reality that structural oppression is multidimensional and sometimes hidden.

Definition of Strategic Planning

The central value of planning is to provide guidance for an institution. Continuous planning that is future-oriented, fosters dynamic programming and is based on sound financial and operational strategies is key to maximizing the institution's strengths and is a basis for ensuring that the institution can continue to meet the needs of its constituency.

COTC and Ohio State Newark Planning

The purpose of strategic planning is contained in the definition of planning. **Planning is anticipating trends and determining the best strategies to achieve organizational goals and objectives.** For COTC and Ohio State Newark, the strategic planning process provides the framework to advance each institution's mission, vision, and goals; this is accomplished by each of the institutions taking action to better meet the needs of students and the internal and external communities and thereby advancing their individual missions, visions, and goals to serve students and the internal and external communities.

Three traditional types of planning used at COTC and Ohio State Newark are strategic, operational, and action planning.

Strategic planning – a visionary process that results in major, long-range and far-reaching strategic directions or goals for the future to advance the institutions' goals for service to students and the community. Strategic plans provide the foundation for operational planning in the form of policies, procedures, and strategies for obtaining and using resources to achieve those directions. As a result of our strategic planning efforts, four strategic priorities were developed for both COTC and Ohio State Newark for use in college/campus and unit/department planning. Each department determines their own strategic priorities (goals) that advance institution-wide strategic directions.

Operational (implementation) planning – These plans are developed by each unit/department and incorporated in one, unified, institutional operational plan. The operational plan translates the longer-term strategic plan into a one-year timeframe and thus to the annual resource allocation. These are plans that specify one-year objectives in all areas of the institution set to achieve the strategic goals.

Action planning – developing detailed, short-term statements about what is to be done, who is to do it, and how it is to be done. These are plans to implement the outcomes of strategic planning. This process often involves setting work standards and schedules necessary to implement the objectives. Whereas strategic planning looks at the organization as a whole, action plans focus on action carried out by specific supervisors and department managers in the implementation of daily and weekly operations. Important to action plans are specificity and time frames for completion for the action in the plan. Action planning involves both the development of plans to improve and change daily operations as well as the development of capital projects that will ultimately be used in daily operations. Note that capital planning activities often span a longer period of time than plans around day-to-day operations.

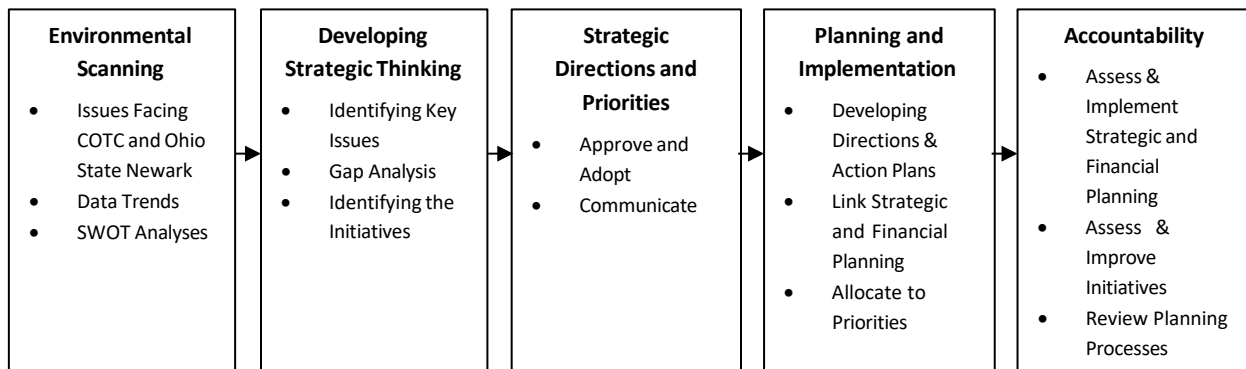

In addition, COTC and Ohio State Newark also engage in **Capital/Master planning**. Capital/Master planning – long-term capital planning based on master planning efforts that support strategic directions of COTC/Ohio State Newark units and departments.

There are two levels in the decision-making hierarchy in COTC and Ohio State Newark: Institution-wide (including cost-shared) and Units/Departments. Strategic planning occurs on both levels but development of action plans tends to be focused at the unit and departmental levels. The two levels are shown in the following table and examples of specific responsibilities are identified:

Strategy	Job Titles	General Responsibilities	Examples of Responsibilities
Institution-wide & Cost-Shared	COTC - President, COTC Board of Trustees, cabinet Ohio State Newark – Dean and Director, Advisory Board, council Cost-Shared – COTC President, Ohio State Newark Dean and Director, Campus Council	Financial performance and achievement of non-financial goals. They set objectives and formulate strategies.	Recommendations on institution-wide budget, recommendations on institution-wide strategic direction and priorities
Units/Departments	Vice Presidents, Deans, Directors, Supervisors, Managers	Translate institution-wide and cost-shared directions into concrete objectives	Operational/action plan development, development of budget requests, unit/department budget development

Steps in the Planning Process

The graphic below shows the steps in the planning cycle. Environmental scanning and developing strategic thinking about this data and trends lead to the development of overall institution-wide strategic direction and priorities. For both COTC and Ohio State Newark, environmental scanning and developing strategic thinking led to the adoption of four strategic priorities that are used to focus action planning. Action planning occurs in the planning and implementation phase: Action Plans are developed and implemented. Data on the outcomes of implementation (accountability) are used to support planning activities.

Integration of the Strategic Planning Process and the Budget Process

Integrated planning is the process whereby all planning and resource allocation activities throughout every level of the institution are effectively linked and coordinated, and driven by the institution’s vision, mission, and priorities.

Planning drives budget development. The resources of the college/campus advance strategic planning decisions but also are required to support operational planning such as covering utility costs, salary and benefit increases, funding system implementation, capital development program operating costs, and enrollment growth. A typical term used to apply to all of these items is “operational commitments”. Part of the annual budget process is determining the cost of these operational commitments and whether or not they still exist as priorities and determining how these needs balance against needs coming from strategic planning efforts.

Not all planning requires additional funding. Some plans require a reallocation of resources, new processes or procedures. In some cases, strategic planning efforts may result in a recommendation to allocate fewer resources to particular efforts. Effective planning looks at all possibilities in attempting to achieve desired outcomes.

Budget Process Overview

General Overview—The Budget Office develops funding projections for college-wide/campus-wide costs for review by the COTC President and the Ohio State Newark Dean and Director. These projections include the following:

- Initial or continued implementation of a college-/campus-wide compensation initiative.
- Inflationary and business needs such as supplies and utilities, fixed charges, software and hardware maintenance, and/or liability insurance.
- Enrollment growth funding at current/projected rate, as well as potential increase at the rate equal to tuition increase (if applicable).

The Business and Finance Office provides the estimates of the general fund resources available for the fiscal year allocations to fund various needs at COTC and Ohio State Newark. These resources consist of the balance of available funds remaining after estimates for mandates and both prior and on-going commitments.

The central administration of each institution asks Unit Budget Managers (UBMs) to submit their cost-to-continue budgets and any new Action Plans in January of each year. Tenure-track faculty members who are not UBMs may submit Action Plans by contacting Jessica Mautz. The appropriate member of the COTC president’s cabinet or Ohio State Newark Dean and Director’s cabinet must approve Action Plan submissions prior to submission to the Budget Office.

Evaluation of College-wide/Campus-wide Requests— In February/March, the President’s Cabinet (COTC) and the Budget Advisory Committee (Ohio State Newark) will review all Action Plans and make recommendations to the COTC President and the Ohio State Newark Dean and Director, respectively,. Executive leadership will prioritize the Action Plans in terms of how well each plan advances each institution’s strategic plan.

Operating Budget Review – budgets that are needed every year for ongoing operations; these budgets are reviewed annually and adjusted for cost-to-continue or inflationary increases.

Action Plan Submission – process for submitting new initiative requests, capital project requests, and Personnel Action Requests.

After the approval of the budget, all the funded action plans are reviewed and divided into two categories—strategic and routine. Strategic action plans are directly related to the institutions' strategic plan goals and objectives. Examples of approved strategic action plans included items to pursue a new initiative/new direction for the institution, or that were of an innovative/strategic nature to move the institution(s) forward.

As a result of funding these initiatives, we expect results in quality improvement, growth of the unit, or gain towards the outlined strategic directions. One of the ways in which we hope to sustain our strategic plans is to monitor our progress on these strategic action plan through updates to the Operational Plan (COTC) and/or the Strategic Implementation Plan (Ohio State Newark).

Operating Budget Review Instructions

1. Access Excel operating budget file(s) on Teams – Ohio State Newark/COTC Budget Planning. Select Files from the top menu bar. Unit Budget Managers section and locate last name. All files are organized by Unit Budget Manager's last name.
2. Within each UBM folder will be all files for which the UBM is responsible. To open the Excel file, click the department number. This will open the excel file within Teams. Review the Department Name and Location. The section under **Request Budget** provides actual expenditures by object code for the last three fiscal years as well as the budget for the current year. These columns should be used as a guide to allocate the total budget request for the upcoming fiscal year. COTC Unit Budget Managers should review year-to-date account information on Budget Self-Service and Ohio State Newark Unit Budget Managers should review their year-to-date activity in Workday by running a *Sources and Uses - Variance Analysis* report.
3. Click in the **Requested Budget** column for the upcoming fiscal year and enter requested amount (if any) for each line that is being budgeted.
4. Add additional object codes at the bottom of the **Request Budget** section, if necessary.
5. If the department total exceeds last year's budget the **Justification** section will indicate that justification is required and the dollar amount requiring justification. **Operating budget increases should be inflationary in nature and not a new initiative (which should be submitted through the Action Plan form). If no justification is required, skip to step 8.
6. In the **Justification** section, enter the Planning Initiative Code(s) that the request most directly addresses. Ohio State Newark and COTC requests should include one or more planning initiative codes for the applicable institution; cost-shared departments must include a Planning Initiative Code for each institution. See APPENDIX C for Planning Initiative Codes.
7. Enter the justification/explanation for the additional funds requested.
8. All updates are automatically saved on the excel sheets. The file will be saved back to the server. Once you're finished with all operating budgets notify the Business and Finance Office that folder is complete. Alternatively, you can save and e-mail the file to the Business and Finance Office. It is recommended that you make a copy of the files for your records as all files will be removed once receive notification that they are complete.

Action Plan Submission Instructions

Locating the Action Plan Form:

There are three different action plans for FY25, a COTC Action Plan, an OSU Action Plan and a Cost Shared Action Plan form. All three are available on the Ohio State Newark/COTC Budget Planning Teams site under Files. The funding source of the plan should determine which plan is used.

Directions for completing the Action Plan Form:

1. Submission Number: will be assigned automatically once form is saved (at the top of the form).
2. Action Plan Title: enter a short identifiable title.
3. Date of Initial Proposal: enter date proposal is submitted.
4. Lead Person: the first and last names of the requesting individual (this will default to the individual who is logged in but can be changed)
5. Lead Email: the email of the lead requestor (will default to the individual logged in but can be changed)
6. Department Number: enter department number. COTC and cost-shared departments should enter the five digit department number and a location if request is specific to a location other than Newark. Ohio State Newark departments should enter cost center and any pertinent worktags. If a new department will be assigned, please enter "New Dept".
7. **For COTC Only: Action Plan Type:** select whether the action plan is academic or non-academic. Academic will refer to anything related to academic programming and would need approval from one of the two Academic Deans. Any other COTC action plans would be non-academic. If Academic is selected, one of the two academic deans needs to be selected from the drop-down list.
8. Cabinet Level: select the individual at the cabinet level for which the requesting department reports up through. If the lead person is the cabinet member, the individual should select their own name from the dropdown.
9. Planning Initiative: from the drop-down box, select the Planning Initiative Code(s) that the Action Plan most directly addresses. For a complete list of Planning Initiatives please see APPENDIX C.
Please note: Requests must be aligned with one or more of the Planning Initiative Codes established by the institution(s). Financial resources will not be allocated to requests that are not aligned with the institution's missions and goals. Ohio State Newark and COTC requests should include one or more planning initiative codes for the applicable institution. Cost-shared departments must include a Planning Initiative code for **each** institution.
10. Description of Action Plan: provide a complete description of Action Plan including timeline and activities. Requests for replacement equipment should include the tag number for the equipment being replaced.

11. Justification: provide justification as to how the Action Plan helps meet Planning Initiative Code identified above. Also, include explanation as to why current resources cannot fulfill Action Plan goals, as well as the impact if not approved.
12. Funding Sources: from the drop-down box, select most appropriate funding source – general funds, grants, other, or combination.
13. Explanation of Funding Source: provide brief overview of funding sources if expected to be grants, other, or a combination of funds (not necessary for general fund submissions). **Each Action Plan must include a complete budget. Action Plans that rely on pending funding from other sources will not receive consideration.**
14. Additional Supporting Evidence: attach any additional supporting evidence to be included in Action Plan. To attach a file with the Action Plan submission, simply click in the box next to Additional Supporting Evidence. Select browse, locate file, and then attach (any type of file may be attached including pdf).
15. Select **Next**.
16. The next section will be used to detail specific costs associated with the Action Plan. Costs are separated into Operating Budget Requests, Capital (one-time expense) Requests, and Personnel Requests. Operating Requests should be used to request additional funds for an existing operating budget or to request a new 'on-going' operating budget (expected to be needed year after year). Capital Requests are one-time requests (not expected to be needed year after year). To enter detailed estimates for Operating, Capital, or Personnel items, click on the applicable button. If Facilities and ITS Offices are needed to assist in obtaining estimates, we suggest working with them prior to submitting the action plan form. Select the box next to the section or sections being requested for funding.
 - Operating Requests: When selected, a box will be populated requesting operating cost information. Under relevant information, describe detail of what is being requested, the relevant object code and the amount. If multiple items are being requested, select "Add Line" and up to ten lines can be added.
 - Capital Requests: When selected, a box will be populated requesting capital cost information. Provide a description of the item (s) being requested, the unit cost per item, the quantity of items, and the annual maintenance. The total cost will be calculated. If multiple items are being requested, select "Add Line" and up to ten lines can be added.
 - Personnel Requests: When selected, a box will be populated requesting the personnel information. Indicate the type of position being requested, for example is this a new position, a reclassification, title change, etc., proposed FTE and requested title for the position. Please provide the affiliation of the position and type: regular, temporary or term. Provide a description of the position, job duties, etc. There are also options to select if office space, furniture and/or equipment will be required. If multiple positions are being requested that are the same, please clarify the total number of positions being requested in the description.

17. Submission: Once complete, you will need to sign and date for submission. Once submitted, you will be taken to another page where you will receive a confirmation of submission and the ability to print the PDF of the document. It is suggested that a copy is made for your records.
18. The form will be routed to the next approver for confirmation of review and any comments.

APPENDIX B

Sample Completed Action Plan

Cost Shared Action Plan
Fiscal Year 2024-2025
 Business & Finance | Office 740-364-9692

Submission Number:

Action Plan Title: *

Date of Initial Proposal: *

Lead Person: *

Lead Email: *

Department Number: *

Cabinet Level: *

Planning Initiative Code(s): Please refer to the [Strategic Planning Handbook](#) to fill out this section.

*

*

Description of Action Plan (including timeline, activities, and replacement equipment tag number if applicable):

* Purchase automated calling services to send out reminder notification en masse for unpaid student management, recruitment and financial aid important dates. Services would be shared by Student Financial Services, OSU Admissions and the Gateway.

 Automated calling services would allow us another tool to ensure we have reached out to our students as needed and in a much more efficient manner; calling services can be structured to better manage incoming flow, and also provide information as to whether a call was answered, went to voicemail or had a disconnected/bad phone number.

Justification (for how the Action Plan helps meet planning initiative code(s) identified above, why current resources cannot fulfill Action Plan goals, and the impact if not approved):

* Calling students is very time-intensive and this would allow us a much more efficient way to supplement our calling/contact efforts and perhaps allow us to free up our resources for incoming traffic and other important processes that need to happen.
 Estimated yearly usage is:
 Gateway 6,000
 OSU Admissions 8,000
 Student Financial Services 10,500

 Based on this input from Gateway and Financial Aid I requested a new cost proposal and the next threshold is 20,000 call units, which drops the per call price by one penny to 11c/call.

 There are other features noted on the proposal, however at this time I do not see us utilizing them in FY1314; some of the other services might be of future interest.

Funding Sources: *

Explanation of Funding Sources (if Grants, other or combination):

* Use general funds to cover purchase. Would look to increase annual operating budget for maintenance and annual fees.

Additional Supporting Evidence (attach file):

Planning Initiative Codes

Newark • Coshocton • Knox • Pataskala

2020 – 2024 Planning Initiative Codes

In order for personnel action requests or requests for new initiative(s) to be considered, the requests must be aligned with one or more of the College's identified priorities. Please include the planning code(s) for each personnel action/new initiative request to link your request to one or more of the strategic priorities. *Financial resources will not be allocated to requests that are not in line with the College's mission.*

Mission - To meet the technical education and training needs of students and employers in the area.

Planning Codes/Institutional Priorities & Strategies:

COTC1.0	Student Success. Help students achieve academic and career goals by improving learning and student support.
COTC1.1	Support academic success in the classroom and through student-centered programs as outlined in the College Completion Plan;
COTC1.2	Achieve greater diversity in the faculty and staff by strengthening recruiting strategies to ensure a broader range of applicants;
COTC1.3	Continue supporting faculty development in teaching effectiveness; and
COTC1.4	Further efforts to ensure that online courses are compliant and accessible to all learners.
COTC2.0	Institutional growth. Increase institutional growth and stability through efficient program, enrollment and fiscal management.
COTC2.1	Evaluate academic program offerings to ensure relevancy, effectiveness and viability.
COTC2.2	Implement new certificate and technical degree programs in response to local needs.
COTC2.3	Explore and implement apprenticeship education.
COTC2.4	Expand business and industry training for area businesses to build a competitive workforce and enhance the economic vitality of the communities served.
COTC2.5	Manage the operations of the WDIC such that adequate revenues enable the center to operate in a self-sustaining fashion.
COTC2.6	Conduct an economic evaluation and needs assessment in all four of COTC's campus service regions,
COTC2.7	Evaluate academic program offerings to ensure relevancy, effectiveness and viability.
COTC2.8	Update the facilities master plan, Framework 2.0.
COTC2.9	Expand COTC's presence and services by completing the John and Mary Alford Center for Science and
COTC2.10	Renovate the Pataskala campus.
COTC2.11	Rebuild COTC's adult student base (age 25 and older).
COTC2.12	Rework CCP strategy to develop new career pathways.
COTC2.13	Evaluate online programs and course offerings.
COTC2.14	Promote diversity to provide meaningful educational experience in our communities.
COTC2.15	Strengthen partnerships with all secondary education partners within our service region to enhance offerings and expand opportunities.
COTC2.16	Ensure financial stability through effective fiscal stewardship and promotion of a fiscally responsible culture.
COTC2.17	Grow COTC's endowment and the Newark Campus Development Fund's (NCDF) holdings and capacity to award student scholarships, support programs and fund capital projects.
COTC2.18	Generate private support for the enhancement of the Pataskala campus renovation.
COTC2.19	Explore areas of potential efficiency to free up resources.
COTC3.0	Collaborative culture. Promote a culture of collaboration and build a college community that values diversity and mutual respect.
COTC3.1	Foster improved relationships and cooperation within the internal COTC community.
COTC3.2	Improve internal communication strategies via an array of engagement platforms (i.e. videos, blogs, meetings).
COTC3.3	Value employees through recognition and engagement programming that promotes satisfaction.

COTC3.4	Further develop a robust and effective executive leadership team.
COTC3.5	Fully implement the executive team approach of an extended campus consortium with all members of the team working from an extended campus location a minimum of one day per month.
COTC3.6	Restructure organizationally to enfold enrollment management with academic affairs and student support.
COTC4.0	Operational effectiveness. Aim for the most efficient use of resources and optimal alignment of processes to improve institutional effectiveness, deliver consistently high quality and provide exceptional services.

COTC4.3	Further maximize collaboration between the college and Ohio State Newark to increase effective resource allocation.
COTC4.4	Continue to pursue compliance with applicable standards of accreditation agencies.
COTC4.5	Build relationships to promote advocacy, enhance state financial support, ensure positive public perceptions and support fundraising.
COTC4.6	Implement new marketing strategies.

2018 – 2025 Planning Initiative Codes

In order for personnel action requests or requests for additional funding in support of new initiative(s) to be considered, the requests must be aligned with one or more of the campus's strategic focus areas. Please include the planning code(s) for each personnel action/new initiative request to link your request to one or more of the strategic focus areas/strategies. *Financial resources will not be allocated to requests that are not in line with the campus's mission.*

Mission - To provide affordable, open access to The Ohio State University for all Ohioans.

Strategic Focus: Improving Student Success

Planning Codes/Initiatives/Strategies:

OSU1.0	ENHANCE THE STUDENT EXPERIENCE: The Ohio State University at Newark offers students an opportunity to experience Ohio State on a small campus with an incredibly diverse student population. We plan to leverage our diversity and the personalized nature of our learning environment to enhance student success and further distinguish the student experience. Our goal is to develop an experience that is extremely attractive to all Ohioans because of its outstanding reputation for excellent faculty and staff who are dedicated to preparing students to be engaged citizens in a global society. Through internships and service-learning experiences, students support the community that helped develop the campus and become engaged citizens.
OSU1.1	Elevate the quality of campus life
OSU1.2	Enhance teaching quality
OSU1.3	Enhance student support
OSU2.0	EXPAND ACADEMIC PROGRAMMING: Ohio State Newark offers rigorous academic programming devoted to excellence and designed to meet Ohio's educational needs. We plan to increase the flexibility of our course schedule and add courses that make it easier for students to pursue degrees in STEM fields. We also plan to broaden the range of enriched learning opportunities.
OSU2.1	Expand availability of courses
OSU2.2	Add degree-completion programs
OSU2.3	Add enriching learning opportunities
OSU3.0	IMPROVE ACCESS AND AFFORDABILITY: In accordance with Ohio State's land-grant mission, and with the State's expectations for Ohio's regional campuses, we will continue our commitment to providing an Ohio State experience at an affordable cost. Our cost-shared relationship with our co-located institution has been a model for the state and a foundation for efforts to keep costs low while maintaining quality programming. We will pursue efficiency initiatives across all departments on our campus, work to keep tuition low, and generate new opportunities for scholarships and tuition grants.
OSU3.1	Reduce cost of attendance
OSU3.2	Improve operational efficiency
OSU3.3	Improve operational sustainability

OSU4.0	<p>STRENGTHEN OUR COMMITMENT TO SOCIAL JUSTICE – The campus can do more within itself, within the region and within the university to increase diversity, equity, and inclusion, and will intensify its efforts to do so. Some of our initiatives related to diversity, equity and inclusion are embedded in the three strategic priorities that were part of the original On Seas of Care strategic plan. We present others, which are more focused on changing the campus’s culture, here, under a new strategic priority. We recognize that culture change will require sustained, forward-thinking efforts that pursue continual improvement and prevent regression. Drawing from the work of intersectionality scholars, we recognize that people embody diverse and overlapping identities that are shaped by multiple forms of oppression. We also recognize that our approach to changing our culture must be flexible, reflective and coalitional in light of the reality that structural oppression is multidimensional and sometimes hidden.</p>
OSU4.1	Adopt organizational practices that promote diversity, equity and inclusion
OSU4.2	Transform the campus staffing structure to better support diversity, equity and inclusion
OSU4.3	Cultivate an intellectual and academic environment that demonstrates inclusivity
OSU4.4	Increase the degree to which constituents are welcomed in the local community
