■ Firefighter I & II

This extensive 50-day firefighter training program is the only one of its kind in the state of Ohio recognized by the International Fire Service Accreditation Congress (IFSAC) and ProBoard. This course exceeds the Ohio Administrative Code (O.A.C.) requirements for firefighters and the standards identified in the National Fire Protection Association (NFPA) Standards.

Upon course completion, students will have the knowledge necessary to successfully complete the Ohio Firefighter 1 & 2 examination. In addition to basic firefighter job skills, students learn essential job functions including professionalism, leadership, teamwork, honor, firefighter safety, emergency vehicle operation and apparatus pumping. The course runs weekdays from 6 a.m. to 5 p.m., with occasional night lectures. Students must pass written and practical skill evaluations for successful course completion.

The fast-paced course is mentally and physically demanding, requiring high levels of dedication and commitment from every student. Embedded in this course is a daily one-hour physical training program requires students to run 1.5 miles on the first day.

Students are responsible for providing their own turnout gear and course textbooks. The academy does provide Self-Contained Breathing Apparatus (SCBA) rental for an additional fee. Information on obtaining these materials is provided upon official acceptance into the course.

RESIDENCY REQUIREMENT: This program requires students to have residency on campus in OFA dorm rooms, at no additional cost, (Sunday available) Monday-Thursday for the duration of the program.

ADDITIONAL REQUIREMENTS: See online course description.

***On-campus orientation will be scheduled for each class**

Potential out-of-pocket expenses:

- Approximately \$700 for turnout gear rental
- Approximately \$400 for uniform items
- Approximately \$600 for books
- \$150 SCBA Rental from the Ohio Fire Academy

Firefighter and EMT Pre-Registration Information Course

You must complete the registration information course on the OFA student portal. This online course is required, and you cannot submit your registration request until the course is completed. The course is listed in the training catalog. The Firefighter & EMT Pre-Registration Information course that will meet the required training can be found by logging into your student portal account and going to the Training and Events tab, then Browse or Sign up for Training. Use the Filter to search for Firefighter or EMT and the event will be the first thing in the list.

The screenshot shows the 'Registration' section of the OFA student portal. At the top, there is a 'Registration' header with a 'Browse Training' link. Below this is a search bar containing the text 'Keyword = Firefighter EMT'. A message states 'All published current and future training matching filter criteria is displayed.' Below the message is a table with the following structure:

Training	Event ▲ / Location	Dates
	Firefighter & EMT Pre-Registration Information course Registration Information course Online	

There will not be a date listed for the course. Click “Assign to Event”. You are not required to enter a training category or date. After you have completed the video, the requirement will be marked as complete on your registration request.
