

Diagnostic Medical Sonography – Application Checklist

Application deadline:

Autumn start: May 1

This checklist is provided as a self-help guide to assist you in meeting all application requirements. All requirements must be completed by the application deadline date applying for.

- Complete the COTC admission application, www.cotc.edu/apply (this is not the program application)
- Submit official high school transcript with graduation date or official GED transcript. High school seniors must send a current transcript during their senior year and a final transcript after graduation.
- Submit official transcripts from **all** career centers, colleges and universities attended past and current with GPA. **ALL** foreign transcripts (high school and colleges) must be evaluated by a current NACES Member - <https://www.naces.org/>.
- Attend a mandatory [Diagnostic Medical Sonography Information Meeting](#) (valid 12 months).
- Complete the [Diagnostic Medical Sonography online information course](#) (valid 12 months).
- Complete any required remedial coursework with a grade of “C” or higher based upon the multiple measures placement policy. Courses may include co-requisite English and co-requisite College Algebra (courses can be in progress spring semester of the deadline).
- Provide proof of completion **with grade of “C” or higher** of the following courses:
 - A full unit of high school Biology or Intro to Biology (BIO-010) and high school Chemistry or Intro to Chemistry Principles (CHEM-020), or higher college equivalents, or approved COTC transfer credit for Anatomy & Physiology I (BIO-130).
- Provide proof of completion **with grade of “C” or higher** of the following COTC college level courses (can be in progress spring semester of the deadline):
 - College Algebra (MATH-140) or transfer credit equivalent
 - Elementary Physics (PHYS-105) or transfer credit equivalent
- Complete Health Selection Exam - HESI A2 exams will only be available in-person. Exams can be taken at any COTC campus. Scores can be sent from any testing location as long as they meet the following criteria:
 1. It must be administered in-person. No remote exams will be accepted.
 2. The test must have exactly the same subjects our HESI A2 covers - no more, no less.That is:
 - Reading Comprehension
 - Vocabulary & General Knowledge
 - Basic Math Skills
 - Biology
 - Chemistry
