COTC Major Number	005023
OBR Subjectcode	510904

Central Ohio Technical College offers a Emergency Medical Technician Basic course for those persons interested in furthering their EMT training. The course is EMS-4327 EMT-Basic (6 credit hours).

EMS-4327 EMT-Basic

6 credit hours, 10 contact hours (4 hours lecture and 6 hours lab)

Prerequisite: Score of 85 or above on the Compass Reading Skills Test or 44 or above on ASSET Reading Skills Test; CPR Certification recommended.

Course is graded A-E.

This basic course covers all aspects of emergency medical care in the field, including equipment, controlling the situation, anatomy and physiology, medical and trauma emergencies, and advanced airway control. This course at its successful completion allows the student to take the national registry exam to become certified at the EMT-Basic Level.

Further information regarding the above requirements may be obtained from the Academic Program Office, located in Room 63 of Hopewell Hall, or by calling 740-366-9287.
