ARTICULATION AGREEMENT BETWEEN
C-TEC FIREFIGHTING & EMERGENCY MEDICAL SERVICES PROGRAM
AND
CENTRAL OHIO TECHNICAL COLLEGE FIRE SCIENCE TECHNOLOGY AND
EMERGENCY MEDICAL SERVICES TECHNOLOGY PROGRAM
2012-2014

Articulation credit to postsecondary programs for relevant high school courses (1) eliminates unnecessary
duplication of learning and (2) saves students time and tuition in the pursuit of higher education.
Recognizing the need for such agreements, Central Ohio Technical College (COTC) agrees to grant
articulation credit to students completing C-TEC Criminal Justice Program courses, as follows:

1. The student must be graduated from high school and must have completed the specified course(s)
   with a grade of A or B or C.

2. The course instructor(s) must review and complete the articulation form (see attached copy) and
   send it to COTC.

3. The articulated courses will be transcripted at COTC once the student registers for COTC
   coursework.

There will be no charge for college credit awarded through this agreement, although COTC may charge a
small fee for the administration of the student’s record. For the purposes of compliance with state and
regional accreditation standards, COTC reserves the right to review the credentials—including, but not
limited to, college transcripts and resumes—of the instructors of articulated courses.

The administrators and faculty of the program at both levels pledge their commitment and support to
continuing this relationship and to promoting these articulation opportunities to the students.

Instructions to Apply for College Credit

The articulation agreement between the C-TEC Criminal Justice Program and Central Ohio Technical College enables high school graduates to receive college credit at COTC for selected courses upon evidence of competency in technology courses that are deemed equivalent to those in the attached list.

Instructions to the Student:

You must have an A, B, or C in the course to earn the college credit.

If you think that the courses in question might qualify for articulation credit, fill out the first part of the attached form. Take the form to your technology teacher(s), who will review the courses and, if applicable, estimate that the courses meet the criteria for the corresponding college courses listed in this agreement. The teacher(s) will make a recommendation for your receiving articulation credit by completing the form, attaching an official transcript, and sending these materials to COTC. Staff persons at COTC will review the materials and, if appropriate, grant recommended credit.

Instructions to the High School Teacher:

Please read the attached form carefully before filling it out. Students must (1) have covered competencies listed for the COTC course(s) in question and (2) have mastered these competencies in their technology courses at an A, B, or C level. Verify that each goal has been met at the appropriate level by initialing, signing, and dating the form. Please attach the student’s official transcript.

Your signature certifies that, in your estimation, the high school courses meet all articulation criteria for the indicated COTC courses and that the student has, to your knowledge, completed successfully those courses eligible for articulation. Mail the competed form to: Records and Registration, Central Ohio Technical College, 1179 University Drive, Newark, OH 43055.

FIRE-102 Fire Fighter I (6 credits)

This course prepares the individual to perform the duties of Fire Fighters. This includes instruction in basic fire-fighting equipment operation and maintenance, principles of fire science and combustible substances, methods of controlling different types of fires, hazardous material handling and control, fire rescue procedures, public relations and applicable laws and regulations.

Note: Students must maintain State of Ohio Certification and provide a copy of their card when applying for credit.

FIRE-103 Fire Fighter II (6 credits)

This course prepares individuals to perform additional duties of a Fire Fighter. It includes advanced instruction in fire department communication, preparedness, fire ground and rescue operations. The course also covers the prevention of fire and maintenance of fire equipment. Basic driving and operation of fire vehicles is learned.

Note: Students must maintain State of Ohio Certification and provide a copy of their card when applying for credit.

EMS-120 Emergency Medical Technician (7 credits)

This Emergency Medical Services course covers all aspects of emergency medical care in the field including equipment, controlling the situation, anatomy and physiology, medical and trauma emergencies, and advanced airway control. This course at its successful completion allows the student to take the national registry exam to become certified at the EMT-Basic Level. This course provides a first phase of training in the career structure of the Emergency Medical Technician (EMT). The course covers all the knowledge and skills required for the state certification examination. Course includes 10 clock hours of clinical experience.

Note: Students must maintain CPR Certification and provide a copy of their card when applying for credit. Students must also maintain State of Ohio Certification and provide a copy of their card when applying for credit.
