ARTICULATION AGREEMENT BETWEEN
DELAWARE AREA CAREER CENTER EARLY CHILDHOOD EDUCATION
PROGRAM
AND
CENTRAL OHIO TECHNICAL COLLEGE EARLY CHILDHOOD EDUCATION
PROGRAM
2012-2014

Articulation credit to postsecondary programs for relevant high school courses (1) eliminates unnecessary duplication of learning and (2) saves students time and tuition in the pursuit of higher education. Recognizing the need for such agreements, Central Ohio Technical College (COTC) agrees to grant articulation credit to students completing Delaware Area Career Center Early Childhood Education Program courses, as follows:

1. The student must be graduated from high school and must have completed the specified course(s) with a grade of A or B or C.

2. The course instructor(s) must review and complete the articulation form (see attached copy) and send it to COTC.

3. The articulated courses will be transcripted at COTC once the student registers for COTC coursework.

There will be no charge for college credit awarded through this agreement, although COTC may charge a small fee for the administration of the student’s record. For the purposes of compliance with state and regional accreditation standards, COTC reserves the right to review the credentials—including, but not limited to, college transcripts and resumes—of the instructors of articulated courses.

The administrators and faculty of the program at both levels pledge their commitment and support to continuing this relationship and to promoting these articulation opportunities to the students.

Instructions to Apply for College Credit

The articulation agreement between the Delaware Area Career Center Early Childhood Education Program and Central Ohio Technical College enables high school graduates to receive college credit at COTC for selected courses upon evidence of competency in technology courses that are deemed equivalent to those in the attached list.

Instructions to the Student:

You must have an A, B, or C in the course to earn the college credit.

If you think that the courses in question might qualify for articulation credit, fill out the first part of the attached form. Take the form to your technology teacher(s), who will review the courses and, if applicable, estimate that the courses meet the criteria for the corresponding college courses listed in this agreement. The teacher(s) will make a recommendation for your receiving articulation credit by completing the form, attaching an official transcript, and sending these materials to COTC. Staff persons at COTC will review the materials and, if appropriate, grant recommended credit.

Instructions to the High School Teacher:

Please read the attached form carefully before filling it out. Students must (1) have covered competencies listed for the COTC course(s) in question and (2) have mastered these competencies in their technology courses at an A, B, or C level. Verify that each goal has been met at the appropriate level by initializing, signing, and dating the form. Please attach the student’s official transcript.

Your signature certifies that, in your estimation, the high school courses meet all articulation criteria for the indicated COTC courses and that the student has, to your knowledge, completed successfully those courses eligible for articulation. Mail the competed form to: Records and Registration, Central Ohio Technical College, 1179 University Drive, Newark, OH 43055. If you have any questions about articulation with COTC, contact the Administrative Dean for Academic Affairs at 740-364-9614.

This course is designed to help prepare the student, to observe, record, and assess young children's development and learning for the purposes of planning appropriate programs, environments, interactions, and adapting for individual differences. Informal, authentic assessment will be highlighted and formal techniques will be introduced. Ten hours of observation will be required in various early childhood programs and include reflective practices across the curriculum that encompasses the developmental continuum.

*In addition, the instructor must certify that the COTC Syllabus assignments and student learning assessments and performance objectives have been completed. The instructor must provide scores for each observation with an assessment of observation number 7.*

This course will provide the student with the opportunity to obtain the following certifications in preparation for employment in a licensed child care and education program: First Aid, Communicable Disease Recognition and Management, Child Abuse and Neglect Recognition, Adult, Child and Infant CPR. The student will also conduct an environmental checklist in an approved child care facility.

Students must have verification that they have successfully completed the following certificates and observation:
1. 6-8 hour First Aid as approved by ODHFS
2. 6-8 hour Communicable Disease Recognition approved by ODHFS
3. 6-8 hour Child Abuse and Neglect Recognition approved by ODHFS
4. Infant, Child and Adult CPR approved by Red Cross
5. Verification of having completed training in Blood Bourne Pathogens Transmissions
6. Completion of the Early Childhood Environmental Rating Scale (ECER-R)
7. Completed college form **Credit for Prior Learning and Work Experience. This form is verified by the ECD Associate Degree Program Director or Designee.**

In addition, the instructor must certify that the COTC Syllabus is utilized for instruction, the instructor is certified to teach all the trainings as approved by ODHFS or have access to a trainer, the pass rate has been verified on all trainings of the students and the overall course has been assessed on the **ECD Assessment Form**, and that the instructor holds a masters-level degree in child development or early education and has experience teaching preschool age children.

This course is designed for the student interested in the administration of early childhood care and education programs. The focus will be on operational planning to include curriculum, parent programs, staff management, community involvement, legal responsibilities, and hiring requirements. Establishing and maintaining effective fiscal practices will be explored. The student will be required to complete 10 hours within a licensed program or center to shadow the administrator.

Instructor must certify that the COTC Syllabus assignments and student learning assessments and performance objectives have been completed, that the **ECD Associate Degree Assessment Data Sheet** has been completed with results of the Focused Class presentation utilized in the assessment process, that there is evidence of completion of 10 hours of the Administrator Shadow experience and time with an Administrator of a Licensed Child Care Program, ODJFS or ODE approved, and that the instructor holds a masters-level degree in child development or early education, has experience teaching preschool age children, and has had prior experience and/or additional training in Administration of an Children’s Program.
