Satisfactory Academic Progress Petition

The Office of Financial Aid has established a process to review petitions related to Satisfactory Academic Progress. In general, the petition process is not to be used to extend the student’s financial aid eligibility. Therefore, petitions for Maximum Time Frame (MTF) may be denied. While waiting for a decision on your petition, you MAY and should go to class.

Deadline dates to file a petition
Summer 2018: May 14, 2018
Autumn 2018: August 13, 2018
Spring 2019: December 31, 2018

Petitions received after the deadline date will be reviewed; however, if the petition is approved, the student will regain eligibility for financial aid beginning the next semester enrolled. The petition may not be considered for the next semester if at the time the petition is reviewed, the student’s financial aid file is in an incomplete status.
