Footnotes:

The decrease in the number of applications from 2015 to 2016 can be attributed to the way 'academic start terms' are presented on the application for admission, and how 'course-section terms' are required to be coded for state reporting. Some applicants applying in prior terms (i.e. 15AU or 16SP) were 'technically' assigned to 16SM course-section(s), though the application was counted at the time it was entered.

²Applicants = Unduplicated count of individuals submitting an application to COTC for the reporting term (with no prior enrollment record), on or before Census day

³New Registered-Applicants = Of the 'Applicants,' the number subsequently enrolling for the reporting term (excluding students with prior application record)

⁴Total Student Body = Unduplicated count of registered students at the institution as of the reporting term's semester census day

⁸Returning = Student attended COTC at some point in the past, but not the most recent past academic term, and has returned for the reporting term

⁹Continuing = Student attended COTC during the most recent past academic term, and continued for the reporting term

¹⁰New Transfer-In = Student's record indicates prior college or university attendance, and the reporting term is the student's first term at COTC

¹¹Non-Degree, Non-Certificate Seeking = Student is seeking any COTC degree or certificate with a 'degree type' of 'NDNC'
