

3357:3-3-02 Depository Bank Account

The following rules of the College are established:

- (A) The college may upon recommendation of the Vice President of Business & Finance or designee, establish such bank depositories as are necessary for the efficient operation of the college.

The President or designee is authorized by the Board of Trustees to establish policies to implement these rules and to execute contracts as deemed necessary for carrying out the mission of the College.

Promulgated Under: 111.15 (ORC)
