3. In the event of any other termination of active service with the college, dependent fee remission benefits cease at the end of the term in which termination occurred.

II. Benefit Descriptions

A. Dependents attending COTC and COTC non cost-shared employee dependents attending Ohio State

1. A credit equal to 100% of COTC's Instructional and General Fees only will appear on the fee statement when the dependent enrolls for the term.

2. This benefit is limited to 73 semester credit hours of enrollment per dependent or same-sex domestic partner.

B. COTC cost-shared employee dependents attending Ohio State

1. Cost-shared employee dependents attending The Ohio State University will receive the benefit amount in accordance with the university's Dependent Tuition Assistance benefit. C. Differences between credits under this benefit and the total fee charged are the responsibility of the dependent.
