**Policy Guidelines**

I. **Vacation Leave**

   A. **Accrual**

      1. Vacation leave accrues while an employee is in active pay status and may be used from the date of employment. An adequate vacation leave balance must be accrued prior to usage.

      2. Staff on regular appointments or temporary appointments of at least 12 months, at 100% full time equivalency (FTE), earn vacation leave in accordance with the accrual schedule. Vacation leave accrual is pro-rated for staff appointments of less than 100% FTE. Faculty appointments do not accrue vacation.

      3. **Accrual Credit for Prior Service**

         a. A college employee who previously worked for the State of Ohio and any of its political subdivisions may be credited for time served at that/those agency(ies), with the exception of reemployed retirees as noted in A.3.b. of this policy. Proof of service from the former agency(ies) must be submitted before service credit is granted. Vacation will be credited from the date that the employee notifies the college in writing of the previous service.

         b. An employee who has retired in accordance with the provisions of any retirement plan offered by the State of Ohio (a reemployed retiree) will not have prior service with the State of Ohio, any political subdivision of the State, or a regional council of government counted for purposes of computing vacation leave.

            1. A STRS/Alternative Retirement Plan participant will be treated as a reemployed retiree for purposes of this section if, at the time of separation from employment, the participant would have been eligible to receive retirement benefits under the STRS Ohio Defined Benefit Plan.

            2. An OPERS/Alternative Retirement Plan participant will be treated as a reemployed retiree for purposes of this section if, at the time of separation from employment, the participant would have been eligible to receive retirement benefits under the OPERS Traditional Pension Plan.

         c. Employment outside that specified in this section, including student employment, federal employment, or employment with other states does not count toward service credit.

   B. **Use**

      1. Vacation leave is charged in a minimum of one-tenth hours.

      2. Vacation leave may be used at the discretion of the employee with approval of the appropriate supervisor. Vacation requests will not be unreasonably denied.

   C. **Balance Transfer**

      1. Vacation leave balance transfers when an employee transfers from one College department to another.

   D. **Leave Pay Out**

      A staff member who terminates employment or transfers to a position that is ineligible for vacation will be paid any accrued vacation leave not used by the effective date, subject to the maximums of the vacation accrual schedule. Accrued vacation payouts are at the current rate of compensation.
E. Carryover
Vacation leave accrued in excess of the maximum carryover will be eliminated on January 1 of each year.

II. Sick Leave
A. Accrual
1. Staff on regular or temporary appointments and faculty on regular appointments or temporary full-time appointments, accrue sick leave while in an active pay status for their primary College appointment. Sick leave does not accrue and cannot be used for any supplemental pay arrangements such as supplemental appointments, faculty teaching overloads, and faculty semester off-duty appointments. Sick leave does not accrue during unpaid leaves of absences. Part-time faculty do not accrue sick leave.
2. Staff accrue sick leave at the rate of 4.6 hours per 80 hours of service. Faculty accrue 120 hours of sick leave per year. Sick leave accrual is pro-rated for appointments less than full time. Sick leave accumulation is unlimited.

B. Use
1. Sick leave is charged in minimum units of one-tenth hour. An employee is charged for sick leave only for days upon which the employee otherwise would have been scheduled to work. Sick leave payment will not exceed the normal scheduled workday or work week earnings.
2. Sick leave may be used from the date of accrual for the purpose intended according to the sick leave chart in this policy. Available sick leave and vacation leave balances, as applicable, must be exhausted prior to applying for unpaid leave. The college may waive this requirement in workers’ compensation, short-term disability and long-term disability cases.
3. Sick leave may be taken on the approval of the appropriate supervisor, by notifying them as soon as possible on the day of the absence. In the absence of such notification, time will be charged to vacation or unauthorized absence. The College reserves the right to require employees to furnish proper evidence of illness.
4. Sick leave for birth, adoption, or foster care placement may be taken in accordance with the Parental Leave section and sick leave usage chart in this policy.

Applies to: Faculty, staff

5. An employee who becomes eligible for workers' compensation payment for loss of time may choose to use sick, vacation or compensatory leave before such payments are made. An employee who wishes not to use available leave to cover such loss of time must request an unpaid leave of absence in accordance with Human Resources Policy 2.6.33, Unpaid Leave.

6. Additional documentation may be required including but not limited to documentation from a health care provider, proof of birth, death certificate or documentation in support of foster care placement.

C. Balance Transfer
   1. Sick leave balance transfers when an employee transfers from one College department to another.
   2. An accrued and unused sick leave balance from another Ohio public agency may be transferred to the College, if proof of accrued leave is provided by the transferring agency and re-employment occurs within 10 years.

D. Leave Payout
   Employees retiring from active service with COTC with 10 or more years of state service and eligible to receive either a STRS or an OPERS benefit will be paid one-fourth of the sick leave balance up to a maximum payment of 240 hours. ARP participants with 10 or more years of state service and who would have been eligible to receive retirement benefits by meeting the age and service requirements under the OPERS traditional pension plan or the STRS defined benefit also are eligible for the sick leave pay out. Payment is based upon the rate of compensation at the time of retirement. The one-time retirement payout of sick leave eliminates all accrued sick leave on record. These same provisions apply to employees who die with 10 or more years of state service, with the sick leave pay out paid to the estate. Accrued sick leave payouts are at the current rate of compensation.

### Paid Parental Leave

**A. Guiding Principles**

1. The purpose of Paid Parental Leave is to provide a birth mother, father, domestic partner, or adoptive parent with paid time off to recover from childbirth and/or to care for and bond with a newborn or newly-adopted child.

2. It is the intent of this policy to provide faculty and staff members with a paid leave benefit that may be combined with other leave programs to maximize the length of paid leave available and to supplement time off under FML in the event of a birth or adoption of a child.
3. Paid Parental Leave is a benefit of employment and its use cannot have a negative impact on employment status or opportunities.

4. Departments should be sufficiently flexible in managing Paid Parental Application for Leaves so as to permit employees to effectively combine career and family responsibilities.

5. Workload issues should be proactively managed so that excessive work demands are not placed on remaining faculty and staff.

B. Eligibility

1. A faculty or staff member who becomes a new parent as a:
   a. birth mother;
   b. father;
   c. adoptive parent, or
   d. domestic partner

2. A faculty or staff member who holds a regular appointment of at least 75% FTE.

3. A faculty or staff member who has completed at least one year of service prior to the date Paid Parental Leave is to commence. Employees who attain one year of service while on leave for the purpose of a birth or adoption of a child will be eligible for a pro-rated portion of Paid Parental Leave.

C. Leave amount

1. Paid Parental Leave is paid at 100% of regular pay for the specified number of hours outlined in this policy. Employees with appointments of less than 100% FTE will receive pro-rated pay based upon FTE percentage.

2. Up to 240 hours (6 work weeks, based on an appointment of 100% FTE) constitute Paid Parental Leave for a birth mother for recovery from childbirth and to care for and bond with a newborn.

3. Up to 120 hours (3 work weeks, based on an appointment of 100% FTE) constitute Paid Parental Leave for a father, domestic partner, employee using a surrogate or adoptive parent.

D. Use

1. Paid Parental Leave shall be exhausted prior to the use of Sick Leave in excess of the maximum allowed for a birth mother.

2. Parental leave does not have to be exhausted prior to the use of short-term disability.

3. Paid Parental Leave shall be exhausted prior to the use of Vacation Leave, Compensatory Time or Unpaid Leave, when such leave is requested for the purpose of a birth or adoption event.

4. Paid Parental Leave is available for one year from the birth or adoption of a child.

5. Paid Parental Leave should generally commence following the birth or adoption of a child, but in some instances, may occur prior to the event when deemed medically necessary or when requisite to fulfill the legal requirements for an adoption.

6. Paid Parental Leave will run concurrently with Family Medical Leave (FML), to the extent that an individual has an available amount of FML at least equivalent to the length of the Paid Parental Leave to be taken. If the amount of FML available is less than the amount of Paid Parental Leave to be taken, Paid Parental Leave will still be granted as specified in this policy, without regard to the existence of the individual's

The use of donated vacation may also be requested for the birth, adoption or foster placement of a child or for the death of an immediate family member.

3. The recipient may use up to 4 weeks of donated vacation time (up to 160 hours, prorated based on FTE).

5. Donated vacation may not be used to exceed the recipient’s normally scheduled work hours per pay period and must be donated in 8-hour increments.

6. Leave taken using donated vacation may not be counted in the calculation of unpaid leave balances.

7. Donated vacation may run concurrently with Family Medical Leave.

8. Donations cannot cross institutions; donor and recipient must both be paid by Central Ohio Technical College.

9. Donated vacation cannot be paid from a sponsored research project (grant or contract).

11. Unused donated vacation hours are forfeited and will not be returned to the donor.

3. Regular employees (74% FTE or less), intermittent, seasonal, and temporary employees are ineligible for Organ Donation Leave.
