Courses listed on this Plan of Study will articulate with the Bachelor’s Degree in Echocardiography Completion program at the Oregon Institute of Technology (Oregon Tech). Enrollment in courses beginning with the DMS prefix require active RDCS (Registered Diagnostic Cardiac Sonographer) credentials through the ARDMS (American Registry of Diagnostic Medical Sonographers) or permission from the Program Director.

A grade of C (2.0) or better is required for all Sonography courses in order to continue in any Diagnostic Medical Sonography Technology program. Policies of the Diagnostic Medical Sonography Technology program which are unique in regard to admission, re-admission, grading and promotion are available in the Student Handbook, Division of Health Technologies. *Course credit may be awarded for active RVT credentials.

**DMS courses are only offered during the identified semester. General education courses are offered every semester.

Melinda Shoen, MSM, RDMS, RVT, RDCS, Instructor of Diagnostic Medical Sonography, mshoen@cotc.edu, 740.755.7713
