In Autumn 2012, Central Ohio Technical College will convert from the Quarter system (4 quarters per academic year) to the Semester system (2 Semesters and 1 Summer Session per academic year). Students entering COTC in Summer 2011, Autumn 2011, Winter 2012, Spring 2012, or Summer 2012 will begin their program in Quarters.

COTC makes the following three guarantees to all students who will transition from the quarter system into the semester system:
1) No loss of academic progress; 2) No delay in time to degree completion/graduation; and 3) No increase in total tuition and fees expended for the degree system to the program.

If transitioning from the Quarter to the Semester system, please visit the COTC "Think Semesters" web page

(<http://www.cotc.edu/ThinkSemesters/Pages/default.aspx>)

regularly for updates and for important additional information.

Students should meet with their Academic Advisor to map out individual paths to their degree.

KEY:					
* Indicates this course has a prerequisite; please see the Course Description Section on the COTC Web Page					
** Indicates there will be no equivalent for this course in the Semester system; please see Academic Advisor					
The Associate of Arts degree will be awarded to students whose transcripts reflects their having successfully completed the minimum number of credit hours from each discipline area (either in Quarter or Semester version) with courses in which students will have received a grade of C (2.00) or higher.
