Once the form has been signed and approved by the COTC VA School Certifying Official, your tuition account will be in a confirmed status for the **Summer 2020 through Spring 2021 Semester**. **You need to attend your courses to earn your VA benefits.** You must officially withdrawal with the COTC Gateway if you decide to not attend. If you owe a balance from a previous semester or have exhausted your benefits, this document will be null and void for all future semesters.

By initialing below, I am requesting to stay enrolled in Central Ohio Technical College (COTC) for Summer 2020 through Spring 2021 semesters. I understand that once the amount of my VA Benefit award is determined:

_____ I will owe the College the balance if the aid awarded is **less than** my tuition and fees, and/or I request to charge books/supplies to my student account at the Newark Campus Bookstore **before** my book stipend is received; regardless of how I am paid, in a lump sum or installments.

_____ I understand that if I drop hours, withdraw from the College or stop attending that I will most likely have my VA/GI Bill award reduced or revoked, and I will become **personally** obligated to COTC for any tuition & fees balance in addition to any balance owed back to the VA. **I understand not attending my class(es) is not considered a withdrawal from COTC.**

_____ I understand that if I am using Federal Tuition Assistance (FTA) or my Ohio National Guard Scholarship (ONGSP), I **MUST** turn in my approval letter/voucher to the **Fees and Deposits Office before** the tuition due date.

Previous semester account balances due must be paid before the end of each semester in order to stay registered for future semesters. Unpaid account balances will result in a financial hold being placed on my account preventing future registration and access to my transcript. Unpaid account balances are also at risk of being sent to The Ohio Attorney General Office for collection, and incurring associated late and collection cost expense charges, to include 10% collection/litigation costs and statutory interest per the Ohio Revised Code. State of Ohio tax refunds and casino winnings may be seized to pay collection balance.

By signing below, I certify that I will be attending classes and intend to pay my tuition & fees within 60 days after the semester start date.
