

# *A Minority Affair*

Meet departments on campus with a diverse focus that you may have not heard about or gotten the chance to know. Join us for an engaging event that allows everyone to meet different departments in speed like (dating) sessions for quick tips and tidbits about campus involvement. Prizes of 2/\$25.00 will be awarded to students in each session at random (for a total of 6). Contact Connie Zang at [zang.3@osu.edu](mailto:zang.3@osu.edu), if accommodations are needed by August 28, 2021. Departments include: Clinical Counseling, Experiential Learning & Career Development, Licking County NAACP, Pride Out Loud, Academic Success Coach, and STEP, and student organizations: Bhutanese/Nepali and Black Student Association.
