

DIVERSITY THROUGH ARTISTRY (DTA)

DTA is an art program specifically designed for youth to express the meaning of diversity using various forms of mediums such as paints, 3-D sculptures, sketching, clay, and digital design. Students, staff and faculty can volunteer their time, 35 minutes to one-hour, one day or multiple days over an eight week period. The art work will be displayed on campus with a reception for the youth and their families and volunteers.

Volunteers are encouraged to sign up for this community service project to work with 3rd graders at a local elementary school. The program was awarded the *Equity and Inclusion Award 2012* from Ohio Colleges of Professional Administrators (OCPA)
