

# Central Ohio Technical College

## Early Childhood Education Technology Program Student Performance Data

### Student Learning Outcomes

1. Evaluate, demonstrate, and promote child development and learning through healthy and appropriate environments for all children. (NAEYC Standard 1- Child Development and Learning in Context)
2. Support family and community relationship building along with involvement in children's development. (NAEYC Standard 2- Family-Teacher Partnerships and Community Connections)
3. Observe, document, and assess support for young children and families for positive child development. (NAEYC Standard 3- Child Observation, Documentation, and Assessment)
4. Design, implement, and evaluate teaching and learning experiences that promote positive best practices for all young children. (NAEYC Standard 4- Developmentally, Culturally, and Linguistically Appropriate Teaching Practices)
5. Utilize and support an integrated curriculum that promotes inquiry-based teaching and learning. (NAEYC Standard 5- Knowledge, Application, and Integration of Academic Content in the Early Childhood Curriculum)
6. Build upon a professional place in the early childhood community through collaboration, advocacy, and informed resources. (NAEYC 6- Professionalism as an Early Childhood Educator)

### Data Results for 2022-2023

SLO 1	<p>Key Competency 1a: n= 9 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 1b: n= 9 22% did not meet expectations 78% met or exceeded expectations</p> <p>Key Competency 1c: n= 11 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 1d n= 7 0% did not meet expectations 100% met or exceeded expectations</p>
-------	---

SLO 2	<p>Key Competency 2a: n= 13 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 2b: n= 12 8% did not meet expectations 92% met or exceeded expectations</p> <p>Key Competency 2c: n= 15 6% did not meet expectations 94% met or exceeded expectations</p>
SLO 3	<p>Key Competency 3a: n= 5 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 3b: n= 5 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 3c: n= 8 11% did not meet expectations 89% met or exceeded expectations</p> <p>Key Competency 3d: n= 8 11% did not meet expectations 89% met or exceeded expectations</p>
SLO 4	<p>Key Competency 4a: n= 5 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 4b: n= 3 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 4c: n= 5 0% did not meet expectations 100% met or exceeded expectations</p>

SLO 5	<p>Key Competency 5a: n= 3 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 5b: n= 5 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 5c: n= 5 0% did not meet expectations 100% met or exceeded expectations</p>
SLO 6	<p>Key Competency 6a: n= 5 60% did not meet expectations 40% met or exceeded expectations</p> <p>Key Competency 6b: n= 2 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 6c: n= 12 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 6d: n= 10 0% did not meet expectations 100% met or exceeded expectations</p> <p>Key Competency 6e: n= 5 0% did not meet expectations 100% met or exceeded expectations</p>
