Emergency Medical Technician

OHIO DEPARTMENT OF PUBLIC SAFETY REGISTRY #118

In partnership with COTC:

Learn all aspects of pre-hospital EMS including treatment and transportation, nature and extent of injury/illness, and basic and advanced life-saving skills – CPR, automatic external defibrillation and vehicle extrication.

Additional hours will be added for scheduled module testing. EMT National Registry testing will be scheduled following each EMT session. The off-site written exam will be scheduled on-line through NREMT. The practical exam will be scheduled at C-TEC during class. Must meet course completion requirements to be eligible to take National Registry test. This will prepare you for an entry-level position as an EMT.
