**Newark 740-366-9222**

**Coshocton 740-622-1408**

**Pataskala 740-755-7090**

**Knox 740-392-2526**

---

**Complete at C-TEC:**

**These items must be complete at least two weeks before the first day of class.**

- Notify Earl Miller @ [emiller@c-tec.edu](mailto:emiller@c-tec.edu) of your intention of attending as a COTC student
- Complete WorkKeys test and meet minimum scores**
  - Student will schedule WorkKeys directly with C-TEC (see attached) and must take a copy of their high school transcript, diploma, or GED on the WorkKeys testing date.
  - WorkKeys must be completed at least one week prior to the start of the class. Students who do not meet the minimum scores will be de-registered from the class.
- Complete and return C-TEC's Physical Form** (*valid up to 15 months prior to start of C-TEC class*)
  - <https://www.c-tec.edu/page/additional-resources3>
- Contact Kathy Roderick at 740-364-2282 to find out if you need to enroll in EVOC (16 hour) and/or EMS (8 hour)**
  - If needed, these courses will be an out-of-pocket expense through C-TEC directly.
- Complete and provide a copy of your certificates to verify completion of:**
  - NIMS IS-100 <https://training.fema.gov/nims/>
  - NIMS IS-700 <https://training.fema.gov/nims/>
  - To receive old NIMS Certificates please call (301) 447-1200
- BCI & FBI Background Check** (*valid 1 year prior to start of C-TEC class*) (code 109578)
  - Have BCI and FBI results sent to C-TEC, attention Earl Miller, 150 Price Road, Newark, OH 43055
- Must have and present a valid driver's license**

**[Additional important information on back](#)**

- Present COTC student ID
- Copy of high school/GED transcript

**Additional information is available at** (including required uniform information which can be found in the Public Safety Student Handbook:

[https://core-docs.s3.amazonaws.com/documents/asset/uploaded\\_file/3082/CTEC/2081413/Public\\_Safety\\_Program\\_Student\\_Handbook.pdf](https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/3082/CTEC/2081413/Public_Safety_Program_Student_Handbook.pdf)

**Other important factors to note:**

- Be capable of strenuous physical activity
- No facial hair (mustache is acceptable)
- Must be at least 17 years old. If a student is still in high school they must be in the 12<sup>th</sup> grade.
- If you are employed by a department you will be permitted to wear your uniform otherwise all students must be in C-TEC's required navy blue shirt and pants with black shoes.

**The information shown below is from C-TEC's website:**

**Firefighter I**

Train in department organization, safety, fire behavior, portable extinguishers, personal protective equipment, tools, ladders, fire hose, appliances and streams, overhaul, rescue and water supplies. Train on fire alarm and communications, forcible entry, ventilation, ropes, control, salvage, cause and origin, detection, alarm and suppression systems, prevention, public education, cause determination, building construction, and hazardous materials. Personal protective equipment required. Upon successful completion of this course students will take the Firefighter I certification test and be prepared for entry-level positions in firefighting.

*\* \*\*Effective January 1, 2018 per the ODPS, the 8 hours of the EMS and 16 hours of EVOC will no longer be included in the FF1 class.*

*If you do not currently hold an EMT, Medic, or EMR card, you will have to enroll in the 8-hour EMS training as an additional required class prior to starting the FF1 class.*

*If you have not taken a current EVOC course (within 12 months of the class start date), you will have to enroll in the 16-hour EVOC class prior to the ODPS releasing your FF1 certification card. You can start the FF1 class and take the ODPS FF1 test prior to taking the EVOC, but the ODPS will hold your FF1 card until they receive your EVOC card.*

**Firefighter II**

Train in fire department organization, fire alarm and communications, fire hose, appliances and streams, foam fire streams, control, fire and origin, rescue, water supplies, fire detection, alarm and suppression systems, fire prevention, public education, cause determination, building construction, and hazardous materials training. Personal protective equipment required. Upon successful completion of this course students will take the Firefighter II certification test and be prepared for entry-level positions in Firefighting.
