simplifying **HUMAN SERVICES PROGRAM**

INFORMATION YOU NEED TO KNOW TO GET STARTED AND STAY ON TRACK

THE DOCUMENTS YOU MUST HAVE

- Your Plan of Study
- Course Descriptions
- [Program Guide](#)
 - Professional Standards and Expectations

COURSES YOU SHOULD BE TAKING

- There are certain courses that have pre-requisites and an order in which you should be taking the Human Services courses, refer to column to the right and back page.

Human Services Course Management

During your first semester here at COTC you can get started in the Human Services Program.

Courses are only offered during the semester in which they are listed on the plan of study.

Some of our courses do have Pre-requisites that must be met before you can enroll in the course, refer to the back page to ensure your plan of completion will work.

You will complete two semesters of a practicum experience, this is done in your second year:

You must have completed the following courses before you can begin your first practicum:

Composition I;
Composition II;
Principles of Social Work;
Chemical Dependency I;
Direct Practice Skills;
Case Management;
Therapeutic Group Practice Skills.
