**Indiana Wesleyan University
BS-Human Services**

COTC graduates may transfer their COTC and all prior credits to IWU as long as at least a “C” was earned and the course is not a remedial, pre-college or developmental course. For every COTC course taken in the right column IWU will consider the corresponding IWU course to have been satisfied, and not need to be taken again. This will significantly reduce time to graduation and tuition cost of earning their BSHS from IWU.

In addition to these Human Services major courses the other required courses that are necessary to graduate from IWU with a BSHS are the following 21 credits from these five Liberal Arts categories. IWU encourages you to take as many of these as possible during your time at COTC. Many of the credits will have already been satisfied in COTC’s AAS-HS program. (For example by taking ENGL110, ENGL111, & SPCH100 you will have satisfied the following 9 credits in English & Speech.) Also, if you have taken any of these credits at another regionally accredited college you may apply them to these requirements. IWU has no expiration date on these credits. If any of these have not been completed you may take them while taking BSHS courses at IWU.

- 3 credits in Biblical Literature (COTC does not offer a course that satisfies this requirement.)
- 3 credits in Philosophy or Religion
- 9 credits in English, Composition, Speech or Literature
- 3 credits in Science
- 3 credits in Fine Arts, Foreign Language or Theatre

This is a general guide, not a final plan for every COTC Human Services graduate. Student's transcripts must be reviewed before IWU can provide a final approval on what credits transfer.

- 124 credits are required to graduate with a BSHS from IWU. If additional credits beyond those above are required to achieve the 124 credits, they may come from any college-level course (at least 100-level or higher, not pre-college, remedial or developmental) taken at COTC, IWU or any regionally-credited college where at least a "C" was earned.
- For details of all requirements, refer to each institution's Catalog.
- Central Ohio Technical College and Indiana Wesleyan University reserve the right to make changes to either the program or the courses identified in this Transfer Pathway Guide without prior notification.
