

# LEGENDS *of Loyalty*

### What is Loyalty?

*Loyalty is a partnership. The institution's relationships are based on trust, respect, and communication. Having loyalty and pride in the college for which we govern, or work gives us a sense of community and contributing to a purpose larger than ourselves. The opportunity to work within a well-functioning team gives us a chance to feel valued. This in turn fosters dedication, commitment and a desire to contribute.*

The Office of the President has established the "Legends of Loyalty" award. This award is intended to identify and recognize dedication and commitment to the college. It spotlights individuals or organizations who have, over the years, made a significant impact on the history of the college, and have gone above and beyond their required duties and proven unselfish allegiance.

Various criteria that should be considered when nominating an individual or organization for this award:

- Longtime employment/relationship with COTC
- Performance above and beyond normal duties which have earned trust and respect from colleagues
- Actions that have impacted the history of the college
