

Per new state requirements, **this permission slip must be completed and signed by the student and a parent or legal guardian to enroll in college courses under the College Credit Plus (CCP) program.** This permission slip may have been available at a CCP information meeting. If the CCP student and parent or legal guardian have already signed and turned in this permission slip, there is no need to complete a second copy.

This permission slip must be signed because a student eligible to participate in CCP will enroll in actual college courses, which *may* include “mature subject matter” defined per Ohio Revised Code 3365.035 as “any course subject matter or material of a graphic, explicit, violent, or sexual nature.”

PLEASE PRINT:

We _____ (Student Name) and _____ (Parent/Legal Guardian Name) hereby understand that by enrolling in College Credit Plus courses:

- Content *may* include mature subject matter that will not be modified based upon College Credit Plus enrollee participation regardless of where course instruction occurs; and
- State law requires this signed form be submitted as part of the student’s application.

The signatures below indicate permission is granted to participate in CCP. It is the parent’s or legal guardian’s responsibility to be aware of and monitor the student’s enrollment based on information provided by the college.
