Name of Household Members Column: In the chart below, list all of the people in the parent's household, their age and relationship to student. Please include:

- The student.
- The parents (including stepparent) even if the student doesn't live with the parents.
- The parents' other children, if the parent will provide **more than half** of the children's support from July 1, 2021 through June 30, 2022, or if the other children would be required to provide parental information if they were completing a 2021-2022 FAFSA. Include children who meet either of these standards even if the children do not live with the parents.

Name of College Column: If any of the household members listed below (excluding parents) will be enrolled **at least half time** in a degree, diploma or certificate program at an eligible postsecondary educational institution any time between July 1, 2021 and June 30, 2022, include the name of the college and check appropriate college enrollment. If not going to be enrolled in college, list N/A. If more space is needed, provide a separate page with the student's name and COTC ID at the top. We may require additional documentation if we have reason to believe that the information regarding the household members enrolled in eligible postsecondary education institutions is inaccurate.

*If both legal parents (biological or adoptive) live together regardless of marital status or gender, both parents must be included on the chart.

*If parents are separated or divorced and have not remarried and are not living together, list only one parent on the chart. List the parent who provided more than half of the student's support during the twelve months prior to the date he completed the FAFSA.

***If parent is remarried, include the step-parent on the chart.
